## NCHU Bachelor Program in Taiwan Humanities and Creativity Graduation Requirements for Students Enrolled **after 2024**

### VII. Other Regulations:

A maximum of 20 credits from other departments may be recognized (excluding courses jointly offered with this program), which can be applied toward the program-specific elective credits.

**VIII. Minor:** Credits earned for a minor must be taken in addition to the minimum graduation credits required by the student's major (at least 20 credits). For further details, please refer to the announcements from the Academic Affairs Office, Course Management Section.

**IX. Double Major:** Students from other departments pursuing a double major must complete the program's graduation requirements (including both college and program-specific required credits), with a minimum of 24 credits from the 'Taiwanese Humanities Core' group and 20 credits each from the 'Intercultural' and 'Cultural Innovation' groups.

**X. Cross-Disciplinary Expertise Development Program:** For students whose compulsory courses and credits are the same as the ones offered by the departments (degree programs), double major, minor, or other cross-disciplinary expertise programs providing cross-disciplinary expertise courses, they shall take other elective courses that are related to their expertise and designated by the departments (degree programs) or colleges providing cross-disciplinary expertise module courses.

**XI.** Students who graduate from the study period of the senior high school less than 6 years will be required to take at least 12 extra credits in their graduation requirements.

The additional credits and courses must be selected from the courses offered by the College of Liberal Arts, with a maximum of 12 credits.
